LEADERSHIP

Who's Who

Who's Who on Campus is an honor which was bestowed on 25 Higgins girls in recognition of outstanding service to the school and to the community. They are chosen on the basis of points accumulated throughout their high school years for activities including academic, social and service types.

Campus Leaders Attend Girls' State

Sixteen girls from Higgins were chosen to be delegates at Louisiana Girls' State in Baton Rouge last August. These students were chosen for their superior qualities of leadership, character, and cooperativeness.

Duties, privileged rights, and responsibilities of American citizenship are among the many things a girl learns through such programs. Sponsored by the American Legion and its Auxiliary in association with local posts, Louisiana Girls' State is thought of by participants as being a mythical fifty-first state with its own constitution, statutes, and ordinances constructed by its citizens to govern themselves.

Scholars Qualify In National Merit Semifinals

The following girls were chosen as Semifinalists in the National Merit Scholarship Qualifying test: Charlotte Bynum, Linda Delhommer, Jacqueline Banks, Mattie Fincher. The test was given at Higgins in February and the results were announced in April.

Debra Haskins Is Presented Citizenship Award

The D A R Citizenship Award is presented periodically by the National Society of The Daughters of the American Revolution. This year the award was presented to Miss Debra Haskins. She was chosen for this honor because of her outstanding qualities of leadership, dependability, service and patriotism.

Talisman Awarded

Last year's 1970 Talisman won first place in the annual yearbook rating at Columbia University in New York. Books are rated according to the size of the school, basis of theme, layout design and copy. For their hard and earnest work, the 1970 yearbook staff truly deserves this award.

Mattie Fincher — Homemaker Of Tomorrow

Mattie Fincher was chosen as the 1971 Betty Crocker Homemaker of Tomorrow from L. W. Higgins. She was selected from her score on the homemaking and aptitude test given to all interested Senior girls in December. The contest sponsored by General Mills made her eligible for one of the 102 scholarships totaling $110,000.

Karen Verret Is FTA Reporter

Karen Verret is the Future Teachers of America State Reporter for the 1970-71 year. She was one of the many girls nominated at the FTA Covention last April in Baton Rouge. After the nominations each candidate presented a speech to the convention. Finally they were voted on by all delegates attending the event.

Donna Jones Performs At Saints Games

Donna Jones, a Higgins Senior, is a member of the New Orleans Saints Drill Team. The unit performs before the game and during halftime at all Saints' home games. The members practice at least three or four times a week and rehearse Sunday mornings at seven. To qualify, you must have two years dancing experience and must try out at the NORD center.

Honors Won By 4-H'ers

Two members of the 4-H club have received outstanding awards in the community this year. Loretta Brehm was selected as President of the Junior Leadership Club of Jefferson Parish and Chris Borison as Secretary of the Jefferson Parish Junior Executive Council. These girls were selected by the Junior Executive Committee of the Parish.

Karen Scarabin Wins

WYES Art Contest

Karen Scarabin, a senior at L. W. Higgins received the 6th place award in an art contest sponsored by WYES on September 18. Her winning painting sold for 100 dollars. The purpose was to raise money for the educational television station.

Seniors Represent LWH

At Leadership Contest

Four senior girls from L. W. Higgins were chosen to represent the school at 1970 State Leadership Conference at L.S.U. in Baton Rouge. The girls that attended were Judy Jambon, Wynonia Wallace, Carla Leftwich, and Mattie Fincher. These girls were chosen for their academic ability and leadership qualities.

Debbie Haskins Places In Jr. Miss Pageant

Debbie Haskins was chosen as first runner-up in the West Jefferson Jaycees Junior Miss Pageant held November 18 at West Jefferson High School. The girls were judged on scholastic ability, physical fitness, poise, appearance, creative and performing arts, awareness and service to the community.

Three Win Honors For Music

Three Higgins students were chosen to attend the governor's Honor Band and Choral Camp this past summer. It was held at L.S.U. Baton Rouge. Shelly McWilliams and Yolanda Kent played in the band and Beth Bryant sang in the chorus.

ORGANIZATIONS

Student Council Sponsors Varied Activities

The primary goal of this year's Student Council was to instill in all students attending Higgins a feeling of pride in thei school and community.

This year for the first time the two Vice-Presidents of the Student Council attended the Faculty Advisory Committee mee ings. This was done in an effort to have student ideas and opinions brought to the attention of the faculty and administra tion.

The L.A.S.C. convention was the biggest event of the year for the members of the Student Council. The convention wa held for all schools that are members of the Louisiana Association of Student Councils. The members of the Higgins Studen Council along with the councils of four other Jefferson Parish high schools sponsored and planned the convention. Anothe community service was the passing out of leaflets supporting the idea of the rededication of the sales tax. On December 17 Mr. Bertucci spoke to the Student Councils of both West Jefferson and Higgins asking for their help in this project. To rais money for future events, the Student Council sold tee-shirts and pennants to the student body.

The student body took part in many Student Council activities. At Christmas time the council held its annual Christma Dance and Christmas Program. The dance held on December 19, was a huge success and everyone seemed to have a memo rable time. The program was just as big a success as the dance. The old folks, for whom the program was planned, enjoye the presentations by the different clubs.

Spirit Week was the most popular of the Student Council's activities. Designed to promote school spirit and a close feelin between the students of Higgins and West Jefferson, Spirit Week consisted of a series of contests between the various clas levels. The winner of the week's competition was the Senior Class. They received the spirit stick during halftime of the Wes Jefferson-Clarke game.

TALISMAN Staff Records Memories

Deadlines! No copy! Ads! Subscriptions! Lost layouts! Unscheduled but need pictures! All these provided problems for the 1971 Talisman Staff. But despite the unorganized staff room and the constant state of chaos, the hurriedly-met deadlines and the many conflicts, the yearbook staff somehow survived. Our yearbook is one to be looked upon as a book of memories. Each staff member contributed much of her time, working together as a unit bound by close friendships, joys, and sorrows.

West Jefferson And Higgins Combine In Publications

Unable to raise enough money to publish their own newspaper, the journalism class was called upon to use their imagination and initiative to solve the problem. Their solution was two-fold. The staff arranged to have a column called "Higgins Highlight's" appear in The West Bank Guide. In cooperation with the West Jefferson newspaper staff, the journalism class, under the supervision of Mr. Joe Weinmunson and Mrs. Maureen Taulli, wrote a page in the Jolly Roger which was dedicated to news about Higgins.

Charter Members Chosen For National Honor Society

L. W. Higgins has just received a charter for a National Honor Society. The Chapter was named The Elaine W. Duvic Chapter in honor of our principal who has done much for Higgins and the National Honor Society. Mrs. Duvic provides a visible symbol to the girls — one whom the girls can pattern their lives.

The National Honor Society provides the highest honors one can receive in high school. The members are chosen on the basis of *leadership, scholarship, character,* and *service.*

The object of this chapter is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of L. W. Higgins.

The forty-five girls inducted in 1971 are very special because they are the charter members of the Elaine W. Duvic Chapter of National Honor Society.

Quill And Scroll Inducts Honorary Journalists

Being invited to join the Quill and Scroll Honorary Journalism Society is a tremendous privilege awarded only to industrious students working in a journalistic field.

Nineteen girls were inducted on the basis of recommendation by either their journalism teacher or sponsor, and approval by the National Secretary. The induction was held on March 17, 1971 at 7:30. Membership also requires that each girl maintain a semester average of at least 2.8. For the first time this year Juniors were accepted in the honorary society. Honorary members are Miss Catherine Soutullo and Mrs. Maureen Taulli. Associate members are Darryl Boyd, Pat Dyer, Judy Jambon, and Connie Reneman.

Faculty advisors are Mrs. Mary Rouse and Mr. Joseph Weinmunson.

Mu Alpha Theta Promotes Interest In Math

This is the first year of the L. W. Higgins chapter of Mu Alpha Theta. The purpose of the club is to engender a keener interest in mathematics, to develop sound scholarship in the subject and to promote enjoyment of mathematics among the students at Higgins. To be eligible to become a member of Mu Alpha Theta students must have completed 4 semesters of college preparatory math courses and be enrolled in their fifth semester and they must have maintained a B average with no D's in any subject for the semester.

French Honor Society Enjoys First Year

The French Honor Society was formed in order to recognize students with exceptional ability in French. Members of the honor society studied the culture and customs of France.

During the Christmas season toys were collected and donated to the children of a nearby orphanage. A banquet was held at the end of the year to initiate new members.

"Guten Tag" From The Deutcher Klub

The Deutscher Klub was one of the new organizations on the Higgins campus. The members of this club studied the German language in class and learned about German character and folklore during the club meetings.

The Klub members participated in International Day along with the French and Spanish classes. They sang the "Tannebaum" and danced a German folk dance, "Kreuz Kinig." At the end of the program the girls sang Silent Night in its original language.

Library Club Members Assist Librarians

The Library Club's purpose is to (1) Sponsor a greater interest among students in the use of books and library service. (2) Stimulate reading interests and (3) To improve the library service of the school. Each member is given an opportunity to work in the library in order to give her a better view of the library's services. Some of these services are checking out and shelving books and help students use materials more readily.

The club activities consist of trips to nearby libraries, and attending movies and plays of outstanding novels.

Producers Stage

Major Production

The Producers Unit of the Drama club was active in all aspects of the theatre including make-up, acting, and backstage work. In order to become a member one had to audition before Mr. Sanchez.

This year the unit put on "A Christmas Carol." Other productions included "The Hobbit" and a one act play festival. Members also helped to convert the cafeteria into a working theatre.

History Club Begins School History

The History Club's purpose is to offer an opportunity for students to pursue special interest in Social Studies through field trips, speakers, and various other activities. The History Club enjoyed several speakers and field trips to the French Quarter, Area plantations, and historical landmarks. Special project begun this year was a history of L. W. Higgins which will be continued in coming years.

FTA Anticipates Convention

The purpose of the Future Teachers of America is to learn about the teaching profession, its opportunities and responsibilities. It allows students to experience a teacher's duties and helps her to become a responsible and trustworthy citizen.

The F.T.A. has participated in several activities this year. They had a car wash December 5 and a Christmas Party on December 16 with West Jefferson. They also will attend the State FTA Convention on April 14-16.

Karen Verret was the State FTA reporter for this year.

FHA Developes Outstanding Homemakers

Future Homemakers of America is an organization for Junior and Senior high school students who are taking or have taken a home economics course. The organization's purpose is to encourage interest in home economics and its careers.

This year the FHA held its annual Sweetheart Dance on February 13th in the gym. At the end of the year they gave their yearly banquet and Mother-Daughter Tea.

4-H Club Builds Character

The purpose of the 4-H Club is to provide members with an opportunity to learn by doing and to develop talents for greater usefulness and responsibility in the club and community.

Members of the L. W. Higgins club were noted as being outstanding in achieving the ideals of all 4-H Clubs. Loretta Brehm was selected as President of The Junior Leadership Club of Jefferson Parish. Chris Borison was selected as Secretary of the Jefferson Parish Junior Executive Council.

A major project of the 4-H Club this year, was making beanbags for orphans and children in local hospitals.

Red Cross Helps School And Community

The purpose of the Red Cross Youth, a division of the International American Red Cross, is to involve high school and college students in service to their schools, community, state and to world. The aim of members of every year's Red Cross is to better human conditions and relations.

The Red Cross sponsored a project to make and collect gifts for servicemen overseas and for children in hospitals during the Christmas Holidays.

GAA Officers Offer Services To Community

The Girls Athletic Association is an organization offering opportunities to girls interested in taking part in supervising and officiating at these events. The girls sponsored the annual Student-Faculty volleyball tournament in which the students took their revenge for last year's defeat.

This year the officers of the G.A.A. volunteered their services to assist the teachers in recreational activities at the Bell Chase school for retarded children.

From the first football game all the way through the basketball season, the energetic leaders of school spirit guided the support of the Buccaneer fans. The cheerleaders won their positions only after being carefully screened on their ability, citizenship, and enthusiasm, and being voted on by the students of both West Jefferson and Higgins. Their spirited cheers helped to increase the unity and loyalty of all Buccaneer fans.

Pirateers Symbolize Buc Spirit

The Pirateers and Mr. Buccaneer, symbols of school spirit, reigned over another highly successful football season. As a part of tradition they opened the season by appearing at the first football game of the year held at "Hoss" Memtsas Memorial Stadium. They were greeted with much enthusiasm by the entire student body. To promote school spirit, Mr. Buccaneer and the Pirateers attended every football game and proudly led the crowds in the counting of points after each score.

Darlings Provide Sparkling Halftime

This year's skilled performances of the L. W. Higgins Dancing Darlings have added sparkle and excitement to the halftime show at the W. J. football games. This year the dance team consisted of twenty-six girls experienced in precision dancing, marching, and rhythmic exercise.

They received a third place award at a day camp sponsored by Andrew Jackson High School. The girls also attended camp at Loyola this summer.

This year's officers were Sandy Lemoine, captain, Joslyn Franklin, Judy Dufrene, Starr Eckert, and Sharon Hebert, co-captains, Glynda Garner, secretary-treasurer, Kim Perry, sergeant-at-arms, Kim Perry and Neva Schell, reporters.

Drill Team Highlights Pregame

The Drill Team this year has obviously added much color and excitement to pregame shows at West Jefferson football games. The unit is made up of twenty-six girls who excel in precision marching routine.

The talented team sponsored a Parish-wide Marching contest on April 1 and a stage show on May 14, which were both great successes. The girls show their love for the Bucs by exhibiting spirit at all Higgins pep rallies. They attend all W. J. functions in their new red and black uniforms.

Pat Dyer, Captain; Coletta "Horse" Cooper, Co-captain; and Cheré Byrne, Lieutenant, led the group throughout the year with honor and pride.

Band Exhibits Spirit In New Uniforms

This year's band was a source of pride for all students. Members participated in many school functions, such as pep rallies, and also in many programs for the community. For the enjoyment of all present, the L. W. Higgins Band performed at the Oakwood Band Concert held during the Christmas Holidays. Again this year, the band marched in many colorful parades.

Chorus Records For KGLA

The chorus teaches a girl to work harmoniously with others and to think not of self but of the group as a whole.

The chorus teaches her the literature of musical periods and provides a hobby she can enjoy the rest of her life.

This year's chorus performed in Higgins Night at West Jefferson and made a recording with KGLA.

FBLA Meets Challenging Demands

The FBLA consists of Higgins students enrolled in business subjects and particularly those girls who are looking to career in business. Members of this club were provided an opportunity to participate in group endeavors and projects conducted under the guidance of representatives of education, business and the professional. The FBLA provided an opportunity for travel to state and national convention and conferences, visits to other chapters and to business and industrial sites, and contact with successful business and women.

COE Prepares Girls For Office Careers

The Cooperative Office Education Club is a vocational program for high school students that helps to prepare a student for a business career. The COE student attends class in the morning and gains working experience in an office in the afternoon. This year the girls all have uniforms which they wear to work and to school on Mondays.

The COE Club has had many successful activities. In September the girls held a banquet at El Chico's to install all newly-elected officers. In May, the COE Club held its annual employers appreciation banquet.

In serving the community and school, the club operates a school supply store in order for students to purchase necessary school supplies. At Christmas and Thanksgiving the girls prepared baskets for needy families on the Westbank.

D.E. Members Sell Glitter Plaques

The DECA Club of L. W. Higgins is an organization for juniors and seniors interested in receiving vocational training while attending high school. The students attend classes in the morning and work at their various jobs in the afternoon.

D.E.C.A. participated in many activities this year. The newly elected officers were installed at a banquet in October. To help raise money for the club's activities, the members sold glitter plaques which were especially popular during the Christmas season.

GIRLS ATHLETICS

Athletic Program Rounds Out Curriculum

The athletic program offered at Higgins provided all students with an opportunity to complete their high school education by developing strong bodies and a sense of good sportsmanship.

Each girl participated in a varied program of sports including archery, volleyball, and golf.

A new and very important part of the physical education course was the drug program. Each Thursday during their gym classes the girls attended lectures on the subject of drugs.

STUDENT LIFE

Students Over-whelm Faculty

On October 28 the GAA sponsored a student faculty volleyball game. This climaxed three weeks of play-offs in which 63 girls participated. The four winning teams challenged the four teams of teachers from the Science, English, Physical Education, and Social Studies Departments.

The "Rejects" carried off the trophy by defeating the teams of gym teachers. Members of the winning team were Mamie Baldassaro, Pam Chennilaro, Georgette Bush, Vickie Nassauer, Pam Hepting, Neva Schell, Sandy Ehret, and Sandra Allen.

1955 Homecoming

Queen Crowns Sally

This year's 1970 West Jefferson Homecoming was the best ever! Eleven senior girls from L. W. Higgins were honored in being chosen to serve on the court. They were Sally Memtsas, Queen; Denise Chopin, Maid of Honor; and Rachel Vasquez, Trudy Zar, Pattie Shows, Wanda Parker, Judy Jambon, Charlene Hebert, Debra Haskins, Dixie Campbell, Roylyn Adams, maids.

Sally was presented a trophy by the first Buccaneer sweetheart of 1955 Mrs. Juli Gulledge Galliano.

Students Revel In Victory

Held in the Jung Hotel, with Indian Fire providing the music, West Jefferson's 1970 Homecoming Dance proved to be very exciting for many students at Higgins High School.

The students and teachers who attended the dance thought it was the biggest and the best ever held. At the band's first break the court and their escorts were once again presented. Sally Memtsas was then crowned queen of the 1970 Homecoming by Mr. Eldon Orgeron.

Pillow Fights And A Sleepless Night

To raise money for their Junior Prom the Junior Class of L. W. Higgins gave a slumber party for the entire school. The tickets were sold for 75¢. The juniors provided a great time for everyone and also furnished food and drinks at reasonable prices. The event brought together both the morning and afternoon schools. The students showed each other that they knew how to have a good time.

Upperclassmen Give Best Display Of Spirit

In an effort to instill pride in all students attending L. W. Higgins, the Student Council sponsored a week designed to promote spirit. Featured during Spirit Week were several pep rallies held to encourage students to back the West Jefferson Bucs. The different class levels were in competition throughout the week.

The competition began with a color day, with classes being awarded points for having the most girls wearing the Higgins' colors, gold, white, and blue. A poster contest was held the next day, and points were given the class doing the most and best posters in support of the Buccaneers. On the final day of the contest, judging was done according to the class that showed the most spirit at the pep rally.

This final rally was the loudest ever held at Higgins. The Freshmen were trying to out yell the Sophmores, who were attempting to scream louder than the Juniors, who were trying to give the sophisticated Seniors a hard time.

Needless to say, the Seniors won the contest with the most total points. The spirit stick was awarded to representatives of the upper class by the cheerleaders and student council officers.

Seniors Receive Memories Of Blue And Gold

As the first of many important events for Seniors, the Ring Day ceremonies touched off a year filled with pride and excitement.

The day began as the class of 1971 filed into the field house to take their seats for the start of the ceremony. Senior Class officers distributed the symbolic rings — proof of the title of Senior.

A mother-daughter tea was held immediately after the last girl received her ring.

That night the Seniors enjoyed themselves at the Ring Dance held in the field house.

Outstanding Students Honored at LSUNO

Sixty-two Juniors and Seniors from Higgins attended the High School Honors Day Program held at Louisiana State University in New Orleans on Sunday December 6, 1970. The purpose of the program was to enable outstanding students from the New Orleans and surrounding areas to become acquainted with the programs and facilities available to them here in New Orleans. Alpha Theta Epsilon Honor Society sponsored the program and arranged for the students to hear many speakers and to be entertained by different groups attending L.S.U.N.O.

Miss L. W. Higgins Chosen at Christmas Dance

On December 19 the L. W. Higgins Student Council held its third annual Christmas Dance in the field house. Providing the music and entertainment was the band "Indian Fire." The highlight of the evening was the announcement of Miss L. W. Higgins and Class Favorites and their courts. The gym was beautifully decorated with handmade wreaths, ivy, pine cones, and paper trees. The highlight of the decorations was two hanging mirror balls purchased for the school by the council for future dances and proms.

Student Council Hosts Elderly

As is tradition, the L. W. Higgins Student Council sponsored their annual Christmas program for the old folks from the Madonna Manor Guest House. This year's program was held on December 22, the day before the Christmas holidays. Everyone enjoyed the skits and the traditional singing of Christmas carols. Dance routines were presented by both the drill team and the dance team. After the guests were escorted home, they received presents from the students.

Customs Of Different Countries Demonstrated

International Day made its debut at Higgins on December 22. It was sponsored by the French, German, and Spanish classes. Skits and songs were presented by students of each foreign language in accordance with the customs of the various countries. Each girl was required to wear a hat representative of the traditional dress of the country whose language she was studying.

Miss West Jefferson

This year the 1971 West Jefferson Buccaneer Staff sponsored the sixteenth annual Miss West Jefferson Contest in their auditorium on January 16, 1971. Seventy-five seniors from Higgins competed for the title. Two runners-up and eighteen finalists were selected by a group of judges. The audience was overjoyed when they found out that Cynthia Wilson had been chosen Miss West Jeff. Wanda Parker was chosen as first runner-up, and Peggy Triche was chosen second runner-up.

Cynthia Wilson Claims Title

SEMIFINALISTS AND COURT OF THE 1971 SWEETHEART CONTEST: *left to right, row 1:* Wanda Parker, first runner-up, Peggy Triche, second runner-up, Pam Bourgeois, Roylyn DiPascal, Yvette Rotolo, Carrie Moreau, Janie Foltmer, Rachel Vasquez, Ida Simmons, and Cissy Wilson, sweetheart. *Row 2:* Joslyn Franklin, Evelyn Guidry, Jackie Johnson, and Karen LeBoeuf. *Row 3:* Karen Verret, Kathy Cox, Dixie Campbell, Charlene Hebert, and Sheila Perkins.
Left: "Oh, if I pick number one, I'll just die!"

Excitement Seizes Contestants

"The Hobbit" — Psychedelic

"The Hobbit," complete with a light show and rock music, was presented by the Drama Club in cooperation with the Literary Club, on February 11 and 12. Mr. George Sanchez was the director, and Mrs. Gladwyn Rhodes supervised the choreography.

The play was adapted by the Drama Club from J.R.R. Tokian's book *The Hobbit.* It was a successful experiment in interpretation.

Right: "Of course it'll be a great program."
Lower left: Much help was needed . . . and given.
Right: Sue Katz concentrates on her fine abilities.

Love Is The Theme Of Sweetheart Dance

The F.H.A. held its annual Sweetheart Dance on Feb. 13 in the field house. Entertainment was provided by the band "Fever." The field house was beautifully decorated by the club members in colors of red and white.

Janet Sanders, a junior, was crowned Sweetheart of 1971 by Sharon Armand, last year's Sweetheart. Janet was chosen by the majority vote of the F.H.A. Club.

Miss L.W. Higgins

Wanda Jean Parker was selected as Miss L. W. Higgins of 1971 in a contest sponsored by the Talisman staff. After nominations were held in Senior homerooms, they were voted on by all the Higgins students. Each nominee was chosen for her ability of leadership and her services to the school. The winners were announced at the Christmas Dance on December 19, 1970.

Wanda has been a West Jefferson cheerleader for the past two years and an active member of the Higgins Student Council. Her outside interests are art and dancing. She was a Junior Class Favorite last year and was also elected Miss Senior Class of 1971.

The Seniors of any year are a special group of people, for it is they who must make the step into a new and strange world. Many members of the 1971 graduating class will leave with brave smiles, anxious to meet a challenging world. Others will leave with tearful eyes, sad at leaving the halls of Higgins behind. All will take with them memories at growing and learning. They will remember with pride and a surge of hope, the moment they received that all-important piece of paper, the reason for all the headaches and sleepless nights — the diploma.

Juniors Enthusiastically Plan Prom

The 1971 Junior Class of L. W. Higgins exhibited much spirit throughout the school year. The big event for the Juniors this year was their prom held in the gym on April 24.

To help raise money for the prom the Juniors held a slumber party November 10 in the cafeteria. Junior volunteers sold refreshments donated by their classmates.

The Juniors continued to support the little boy they had adopted as Sophomores. Once a month they collected money in the Junior homerooms in order to support him. Periodically, the Junior representatives received letters and pictures from him thanking them for their help.

Ability And Skill

Shown By Leaders

The 1971 Sophomore Class of L. W. Higgins High School has exhibited much school spirit throughout the school year. They participated in spirit week at Higgins in November and proved they were an outstanding class.

The sophomores held a dance on May 1 in the field house. They were busy throughout the year raising money and preparing for the dance. It turned out to be a huge success.

Leading the upcoming juniors are Crystal Blanchard, President; Vice President A.M., Debbie Cambre; Vice President P.M., Debbie Robertson; Secretary, Pam Savoie; Treasurer A.M., Donna Courville; and Treasurer P.M. Cheryl Purcell.

Freshman Officers Lead The Largest Class

This year's Freshman Class officers Tonia Dandry, Preisdent; Maria Martin, A.M., Yvette Soutullo, P.M., Vice-Presidents; Dolly Barrios, Secretary; and Kathy Gros, A.M., Kathy Shexnayder, P.M., Treasurers, again lead the largest class at L. W. Higgins. The Freshmen showed a great deal of enthusiasm during their first year at Higgins.

Freshman Day was held on October 28. The class officers and representatives planted bulbs in front of the school to help beautify the campus. On November 5, the Freshmen exhibited again their dynamic spirit by winning the poster contest held during Spirit Week at Higgins.

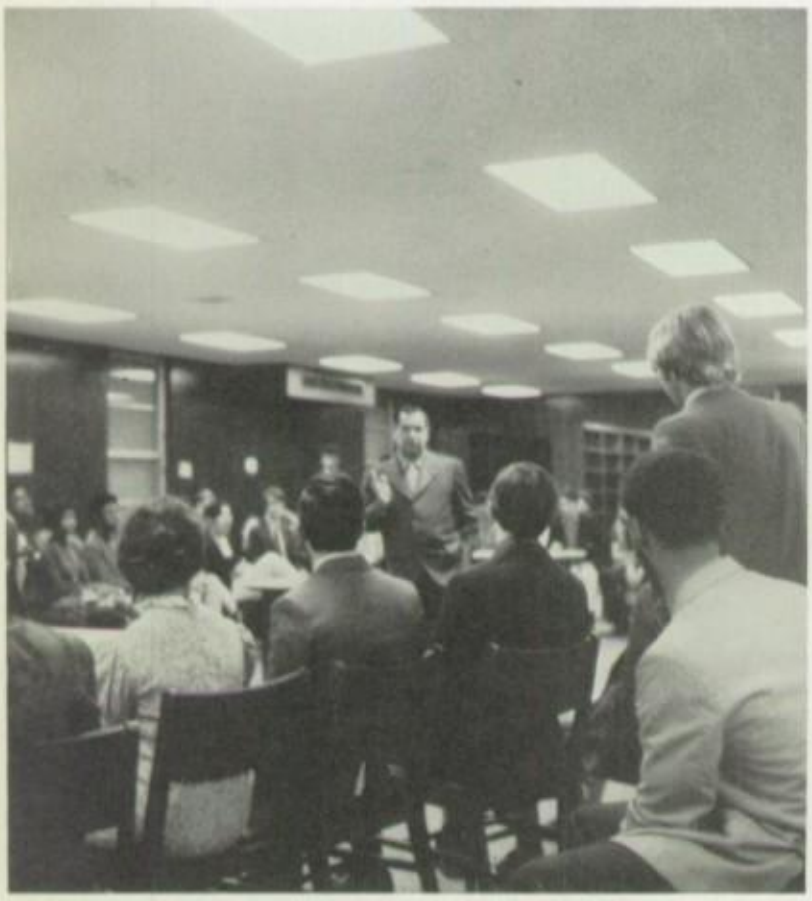
ACADEMICS

Peter Christian Bertucci

Peter C. Bertucci in his second year as Jefferson Parish School Board Superintendent, has continued to serve the schools and people of Jefferson Parish as he has since 1950.

Mr. Bertucci holds a Bachelor of Arts Degree, a Bachelor of Law Degree, a Doctor of Jurisprudence and a Master of Education Degree.

Mr. Bertucci, Mr. Martina, and the other school board members have shown true concern for the welfare of our schools and will continue to do so for the next couple of years.



Above: Mr. Bertucci talks to the Higgins and West Jeff students about the problems that the school board was facing.
Right: Mr. Bertucci delivers a speech to the student body.

Mrs. Duvic — Principal And Friend

Finding a principal for a new school is a hard task. The job of a principal is one which must be filled by a person able to instill in each student a sense of pride and leadership, both within her school and her community. What a wise selection they made upon choosing Mrs. Elaine W. Duvic as principal of L. W. Higgins. She has worked with much enthusiasm and patience in making Higgins become more than just a name.

Mrs. Duvic received her Bachelor of Science Degree and also her Master's from Newcomb College and Loyola University. Before becoming a member of the faculty, and later Assistant Principal at West Jefferson, she was a physicist at the Southern Regional Research Laboratory.

At the close of the 1970-71 school session, Mrs. Duvic will have completed her third consecutive year as principal of L. W. Higgins High School.

Mrs. Duvic is actively involved in all of the school functions, and is deeply concerned about the welfare of every Higgins' student. One illustration of the students' appreciation for Mrs. Duvic is the fact that they named the newly-formed National Honors Society Chapter at Higgins the Elaine W. Duvic Chapter.

Assistant Principals Deal With Problems

The duties of the assistant principals are varied. They range from making the announcements which begin both the morning and afternoon sessions, to dealing with problems of discipline, curriculum and administration.

This year two new assistant principals were appointed to the administrative staff at L. W. Higgins. Mr. Lawrence Gauthe became the principal in charge of discipline in the morning platoon. Mr. Gauthe received his B.S. and M.Ed. from Loyola University. Appointed as assistant principal in charge of curriculum in the afternoon is Mrs. Mildred Heard. Mrs. Heard received her B.S. and M.A. from Mississippi Southern in Hattiesburg.

Back again this year are Miss Ruth Calzada, morning assistant principal in charge of curriculum and Mrs. Shirley Pemberton, afternoon assistant in charge of discipline. Miss Calzada received a B.A. from Newcomb College and a M.S. from the University of Tennessee. Mrs. Pemberton received her B.S. from East Central State College in Oklahoma, and a Master's from Loyola where she was selected a member of Kappa Delta Pi.

Counselors Guide And Advise

The counselors were eternally ready to lend an ear to any student with a problem whether the difficulty be personal, social or scholastic. It is mandatory that each student be interviewed by her counselor twice during the course of each school year.

Senior counselors were, in the morning platoon, Mrs. Irene Landskov and in the afternoon session, Mrs. Maxine Nicaud. Juniors were able to consult with Mrs. Laura Chauvin in the morning and Mrs. Helen Holland in the afternoon. The Sophomore students were able to bring their problems to Mrs. Daisy Stricker in the afternoon and Mrs. Ruth Woodward in the morning. Each counselor was responsible for a certain number of Freshmen.

English, Basis For All Subjects

Literature, grammar, speaking and writing open new doors to the student in the English department of L. W. Higgins High School. Included in the department are English, Speech, Journalism, and new reading courses which have been recently added to expand the oral-aural skills of the student.

Of all the many and varied courses offered at L. W. Higgins, probably none affects a student's life more than those included in the English department. Without a good background in the communication skills, it is difficult for a student to master other courses, for English is the basis for all other subjects.

Teachers Promote Democratic Procedures

The Social Studies Department, comprised of courses in history, civics, government, geography, sociology, and economics, aims for the promotion of an awareness of democratic procedures and the arousing of student interest in our world.

The Higgins Social Studies Department maintains an active schedule throughout the academic year. Projects planned this year include field trips to surrounding plantations, the Vieux Carre, and Chalmette Battle Field, an interschool Social Studies Fair, the American Legion Oratorical Contest, the formation of two history clubs, and the sponsoring of selected students for college credit courses.

All high school students are required to take American History which includes a six-weeks course in Communist doctrine, development, and denomination. A climax to the course each year is a state-wide televised program sponsored by Louisiana State Department of Education. All classes made extensive use of the filmstrips, overhead projectors, opaque machines, and maps and movies of historical significance. The current events bulletin boards revealed "history in the making." Sources include U.S., medieval, modern general, or world history, sociology, economics, world geography, civics, and American government.

Math Aids In Everyday Living . . .

The Mathematics Department's curriculum is designed to prepare students to meet the future, whether in academics, business or homemaking. The academic courses place emphasis on the understanding of the basic principles of algebra, geometry and trigonometry.

The Business Math courses are designed to prepare students for the applications of mathematics both in business and in their personal lives. The principles learned are applied to savings, investment, home ownership, budgeting, and the operations of business.

Science Has Broadened Curriculum

The Science Department of Higgins High School has broadened the curriculum by adding Harvard Project Physics and Chemical Study along with the regular courses of Biology and General Science.

Project Physics is a high school course geared to both juniors and seniors. The course is said to present the history of man as well as his works and theories. It is a course created so that the class covers only what it is able to cover.

Chemical Study places central importance upon laboratory work. The student gathers evidence and tries to discover its significance before principles derived from the evidence are discussed and read about. Chemical Study places less emphasis on memorization. The student learns the ways of a scientist by doing things a scientist does.

P.E. Develops Sportsmanship

The athletic program offered at Higgins provided students with an opportunity to develop strong bodies and a sense of good sportsmanship. Each student was required to participate in a wide variety of sports ranging from archery to recreational games such as shuffleboard.

A new and very important part of the physical education curriculum was a series of lectures on the use and abuse of drugs. It was a study designed to answer questions and educate the girls about the dangers of drug abuse.

Students Communicate In Foreign Languages

In the foreign language courses the students develop the skills of listening, speaking, and writing. They become familiar with dialogues that deal with realistic situations. They relate the dialogue sentences to their personal experiences.

The Spanish, French, and German classes received extra drill in the use of the foreign languages by using the Dial Access System in the library. They simply dialed a special code number and listened, repeating the various structure drills that had been taped for them. This was done during their free time.

Students in the third and fourth year Spanish classes conducted a project concerning the island of Puerto Rico. The small size, great population, and tourist attractions of the island were of great interest. Spain and the countries of South America were also topics for projects.

Business Courses Prepare Girls For Employment

The Business Department headed by Mrs. Clare Favret attempts to provide objectives: (1) to provide all students exploratory opportunities and introductory information relating to business, (2) to assist students in developing the ability to choose discriminatly, (3) to develop in a practical way, an understanding of the functioning of our economic system, (4) to enable students to apply their knowledge of business to their personal advantage and (5) to prepare students for initial and future employment.

Data processing, a new course, was offered beginning at mid-term this year. Only selected interested students were allowed to take the course.

Girls interested in preparing for business careers found enormous opportunities to prepare themselves for such careers by participating in D.E. or C.O.E.. Students selected to be in these special organizations attended three classes in the morning each day and then were dismissed to go to work.

Sponsored by Mrs. Roach, the Cooperative Education Program prepares students for careers. Distributive Education, sponsored by Mr. Blount, is designed to provide girls with adequate background and training for a successful business career.

The Home Economics Department was designed to aid students in identifying and developing qualities that will help them in their personal and family environment.

In the courses offered such as foods, sewing, family living, home nursing, child care, interior decoration, and personal development, the students establish values and goals which will give meaning to their personal, family, and community living.

Individuality Promoted By Fine Arts

In order to help students develop better methods of communication, the Speech Department of L. W. Higgins was formed. This class is taught on three levels. Speech I is a general course on various aspects of speech, Speech II is an advanced course in basic skills of dramatics and Speech III is a study of general discussions and methods of debate. These courses help a student communicate through speech as well as writing.

The art department is concerned with developing individual creative expression and basic artistic skills. Art is taught on only two levels. Art I is a course concerning basic design qualities and begins true individual expression, while Art II is a challenge to the more talented art students.

Band And Chorus Express Musical Talents

The Music Department consists of two main courses — Band and Chorus. This department is headed by Mrs. Bernice Dormio and Mr. Ernest Huete.

The band provides the members a chance to fully express their musical talents. The band has participated in many events throughout the year. They performed at Higgins Night at a West Jefferson football game, and during the pep rallies. The band members also marched in several Mardi Gras parades. Joy Luebbert, a member of the band, was selected to play in the District IV Honor Band.

The chorus performed at the Ring Day ceremonies and also at the Christmas Program. They also recorded a record with KGLA radio station.

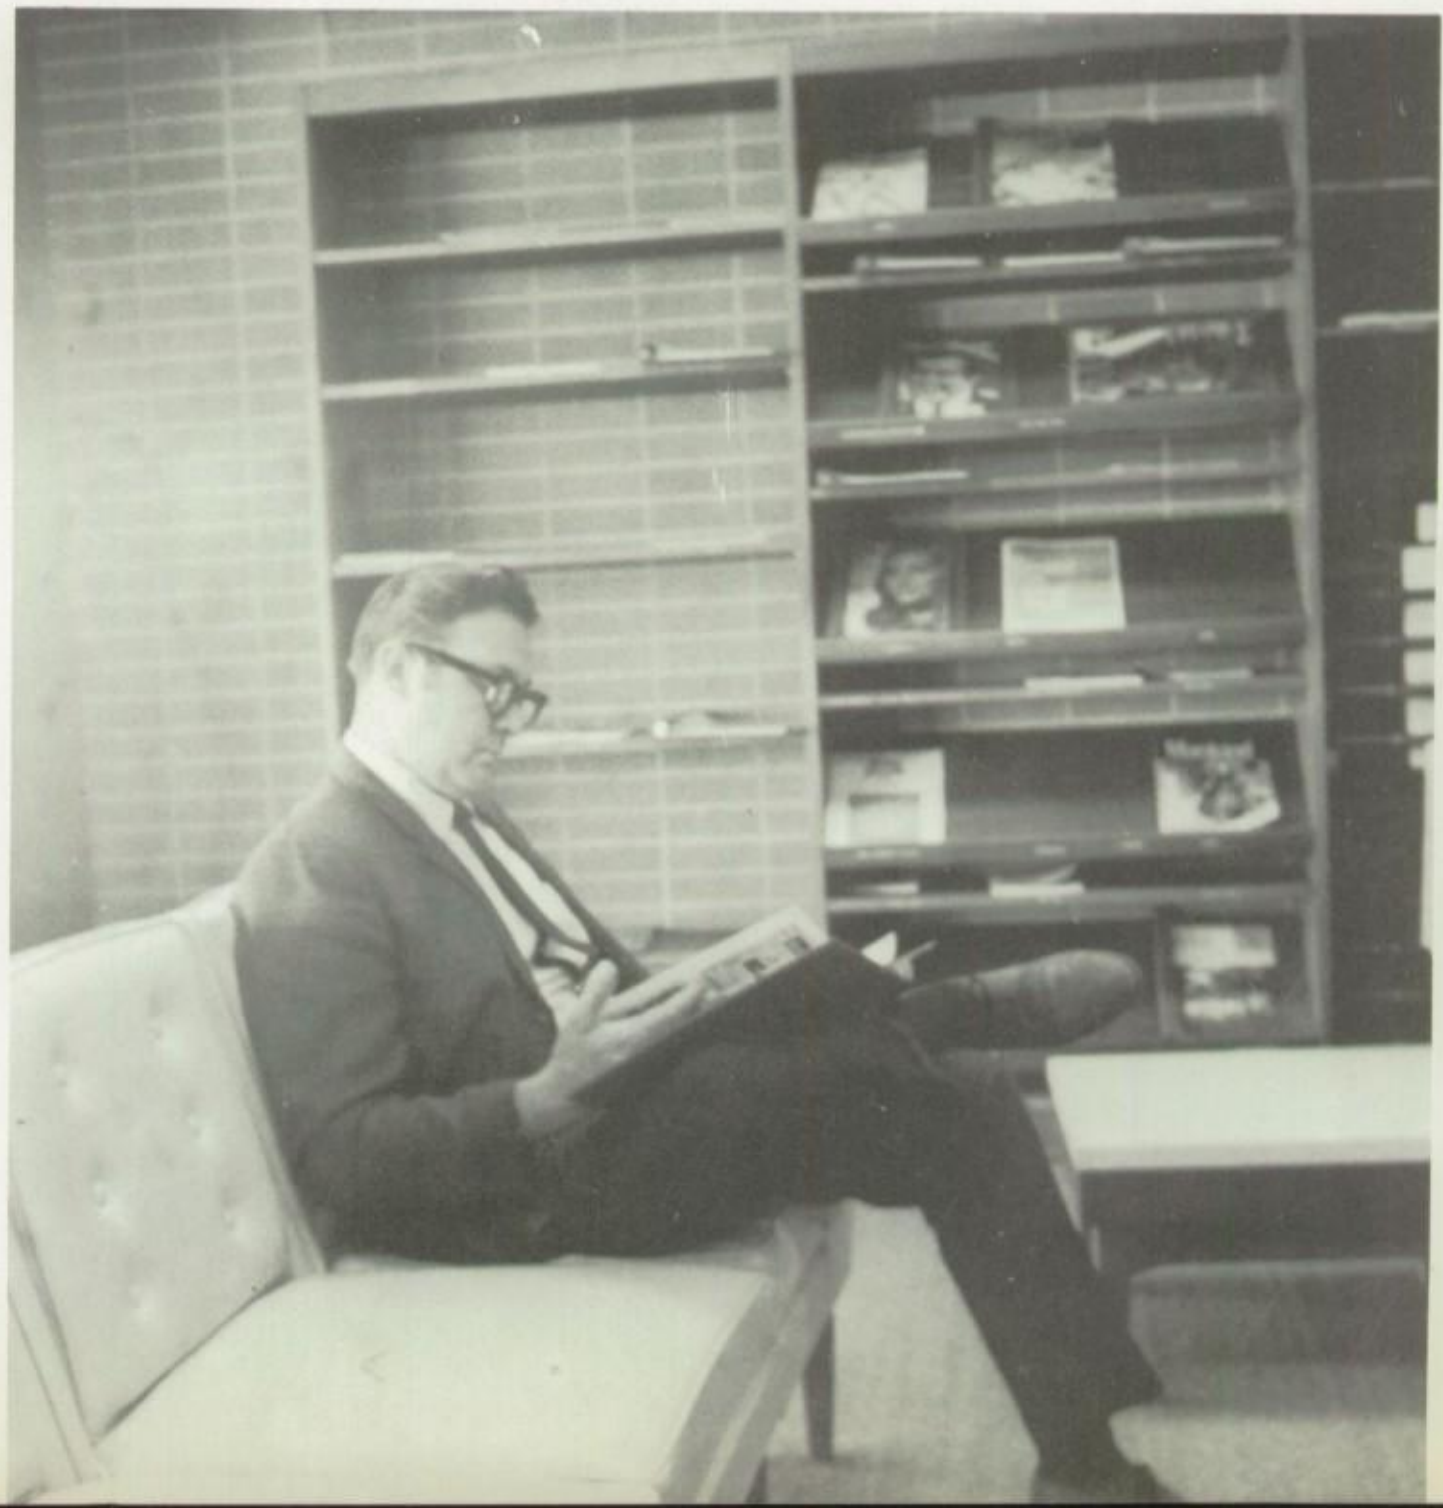
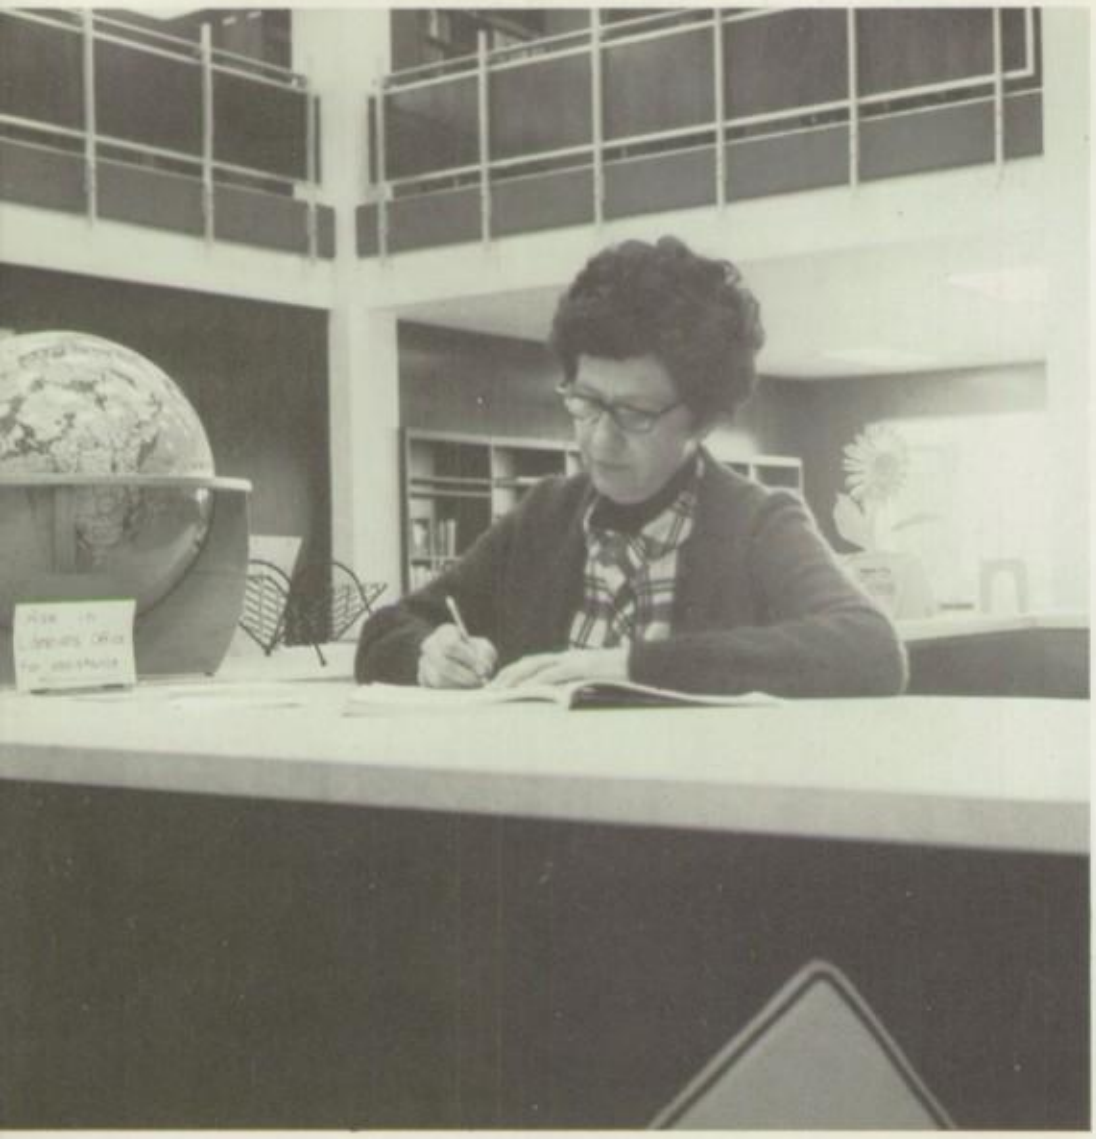
Library Workers Aid Students In Many Ways

L. W. Higgins is very proud of its beautifully equipped library. As a resource center, our library offers instructional materials which enable students to enrich and enlighten their studies.

The dial access system, the study carrels, and the conference room for meetings are available to students at all times.

Working to keep the library a quiet and peaceful place are the librarians, Miss Edna Scatterty, Miss Joan Harris, Mrs. Marguerite Screen, Mrs. Mabel Lapeyronnie, and Miss Cynthia Thompson. The Audio Visual Aids Clerks are Mrs. Marcia Gomez and Mrs. Marilyn Angelo.





Left: Mrs. Screen works around the world!!!
Right: The varied reference materials of the library are useful to all.
Below: They always smile when Mrs. Edgar checks in on time!!
Opposite page, top: "I'd rather spend a dime than get cramps in my hand."
Bottom: Mr. Firmin suspiciously hides his comic books behind that folder . . .

Secretaries, Nurses Aid In Many Ways

One of the more important parts of our school is the secretarial staff. These few people are necessary to keep the school functioning. Their never-ending tasks of keeping records, sending and reading transcripts, checking students out of school and, of course, answering the questions students, as well as teachers, ask as they pass through the office, place them among the most important people in the school.

Here to care for all students who become ill at school are the nurses Mrs. Pat Preis in the morning and Mrs. Mabel Isaminger in the afternoon.

Right: This year as Student Activities Coordinator, Miss Marie Giardiana has scheduled many programs of great interest to the students. She began this year at Higgins Activity Day. Every Wednesday each class is 40 minutes in length and one hour is devoted to assemblies, club meetings or other activities.
Bottom left: A Higgins secretary busily typing the morning bulletins.
Bottom right: Mrs. McGinnis consults another secretary.

Maintenance Department Runs School Smoothly

The maintenance staff of L. W. Higgins is responsible for making sure that the building is kept in excellent condition. They give every room a thorough cleaning each day after the afternoon session is over. The staff is constantly ready to change light fixtures, open locked doors, and make any necessary repairs. Mr. O. J. Carrier heads the staff which works to create a less-cluttered atmosphere for learning.

Top: Mrs. Rouse in the darkness of the early morning hours, contemplates an early morning problem.
Above left: Mrs. Duvic and Mrs. Rouse look over newly-arrived pictures.
Above right: Mr. Weimunson, in one of his more serious moments.

Thanks

Every staff would like their yearbook to be best, but in order to succeed in producing a yearbook that the students and faculty will always be proud of, a lot of time, effort, and cooperation must be put forth. Of these, the most important element is cooperation. As the 1971 Talisman staff, we would like to extend our sincerest thanks and deepest appreciation to all those who helped us on our publication.

Thanks to:

Mrs. Duvic . . . for your understanding and consideration.

Mr. Gauthe and Miss Calazada . . . for our car passes and many small favors.

Mrs. Pemberton and Mrs. Heard . . . for enduring us during the afternoon school with no complaints. And also thanks for the thirst-quenching cokes.

Miss Manzella . . . for our financial reports that always weren't enough.

Mr. Weimunson, Mrs. Taulli, and the journalism class . . . for sharing the staff room with us and our mess. We feel special thanks should go to Mr. Weimunson for his "boosting" comments.

Mrs. Currault and her staffs . . . for your helpful hints, pictures, and "licky-labels."

Mr. Carrier . . . for opening the school for our early morning Saturday sessions and checking that we were safe during our late night sessions.

The faculty . . . for your patience every time we were late for class. And, by the way, sorry we used to go to sleep in your classes.

Mr. DeMoss and his photographers . . . for their so prompt service.

Mr. Elsing . . . for the many times you came down to help us meet our deadlines.

Our parents . . . for putting up with our rush, rush schedules, and trampling through the house late at night taking bathes, washing our hair, eating early morning suppers from the night before, and doing homework, when it got done at all. Thanks Mom and Dad for putting up with us. You are just as much a part of this yearbook as we are.

Miss Soutullo . . . for making sense out of our delapidated copy. With all of your funny jokes, you helped the afternoons not to seem half as long as they really were. By the way, we'll give you a free "ad" next year.

And last, but not at all least, our faithful advisor, Mrs. Rouse . . . for you words could not express how thankful we are. We'll never forget the late nights we spent in our, as we call it, "second home" when you supplied us with both supper and breakfast, or all the times we laughed and cried about the yearbook and many other problems. We LOVE you, and believe us, we'll never forget you.

As I close the door on all the memories of fun days and trying days, I realize that the yearbook involved more work than I expected. It is difficult to express the many days, nights, and holidays that I spent in the well-used staff room without making it appear that I did not enjoy my work — which I did. However, I could not have endured the many tedious hours without the understanding of my parents, friends, and certain other individuals. My parents saw me, if at all, only when I came home to sleep, but they understood, and I am sincerely grateful to them for their help.

Thanks to all of the staff members who worked so earnestly with me. You all did a great job. Special thanks to "The Faithful Five and Faye" for always being there at the right time, no matter what the time was. To you girls I will always be thankful because, without you, those many long nights might have been to no avail, and certainly no fun.

Together we all worked, trying to live up to the precedent set for us by last year's yearbook. And without Mrs. Rouse this feat could have never even been attempted. She was there constantly giving the staff and myself needed help and words of encouragement, especially as the last deadline neared. The staff came to know her, not only as a teacher, but as an individual. Thank you for sharing all with me, both good and bad, joys and sorrows, trying times and happy times, throughout this year.

It is now all over and I hope that you, the administration, faculty, and student body, will be proud of and pleased with the 1971 Talisman.
